

KAYLA PAVELSKI

Nominee for

AzATA Board of Directors

At-Large Member

Please tell us about yourself (ex: where you went to college, previously positions held in leadership, current/past work experience).

I have been an athletic trainer in the state of Arizona for 3 years. I went to school at University of Wisconsin-La Crosse for my Bachelors in Athletic Training. I continued to expand my knowledge by obtaining my masters' degree at A.T. Still University. During my post-professional master's program, I held a position as Head Athletic Trainer at Trivium Preparatory Academy and Estrella Mountain Community college. After that, I began working for Dignity Health at Mesquite High School. I have recently transitioned into a Head Athletic Trainer role within Dignity Health at Maricopa High School.

Please let us know why you are interested in this position.

I would like to hold this position on the board because, like all of us, I have a passion for the profession. I want to continue setting an example of a quality, professional athletic trainer in the state of Arizona. I believe that change happens from those who speak up and advocate for our athletes of all sports and ages that ultimately leads to the growth of our profession. As a young professional, I am eager to take on a new leadership role.
