Update for High School ATs

COVID-19 REPORTING

COVID-19 Reporting Form

Beginning with winter sports, schools are required to complete the AIA COVID-19 Reporting Form for each student-athlete who tests positive. The form should be completed at the time the athlete is returned to participation. Access the form [here](#).

MASK UP TO STAY IN THE GAME

AIA Mask Infographic

The AIA recently released a mask infographic that schools can download and use as needed. Access the infographic [here](#).

AIA Winter Sport Specific Modifications

Modifications for AIA Winter Sports can be found on the AIA website or by clicking [here](#).

About the SSC

The Secondary Schools Committee (SSC) is comprised of secondary school setting members from around the state.

Our goal is to identify the unique issues and duties associated with the secondary school athletic training practice setting, and to develop and/or provide access to resources and information that can improve the effectiveness of secondary school athletic trainers.
